UNDERTAKING

SAFE DRINKING WATER AND SANITATION

I, **Jung Bahadur**, Principal, Eklavya Model Residential School (EMRS) Chicholi, District Betul, Madhya Pradesh, do hereby solemnly affirm and undertake as follows, on behalf of **EMRS Bhimpur**, for the purpose of CBSE affiliation:

1. EMRS Bhimpur is currently functioning in the building of EMRS Chicholi, District Betul, M.P., as per the direction of MPSARAS, vide letter no. क्र/एमपीसरस/2026/1083229/2026 dated 11-06-2026.
2. The school premises have an adequate supply of safe and potable drinking water for students and staff, sourced from [borewell / municipal supply / overhead tank / RO/water-purifier unit], tested for potability from PHE authority.
3. Drinking water points are provided at accessible and hygienic locations across the campus, are maintained regularly, and water quality is tested periodically to ensure it remains fit for consumption.
4. The school has separate, adequate, and functional toilet blocks for boys and girls, in the ratio required under the CBSE Affiliation Bye-Laws, with regular water supply, proper drainage, and daily cleaning.
5. Sanitation and hygiene facilities, including handwashing stations with soap, are provided near classrooms, hostel, and dining areas, and are maintained in clean and working condition.
6. The school will promptly attend to any complaint or defect relating to drinking water or sanitation facilities and will upgrade these facilities as enrolment increases.
7. If the school shifts to its own building at Bhimpur, equivalent or better drinking water and sanitation facilities will be ensured at that building before the shift.
